From the N. Y. Herald. NIBLO'S BURNED.

THE GRAND THESPIAN TEMPLE A MASS OF SMOULDERING RUINS.

LALLA ROOKH AMID HER TIRE WORSHIPPERS.

TOTAL DESTRUCTION OF THE THEATRE

COMMENCEMENT, PROGRESS AND END OF THE CONFLAGRATION.

de., de. de. de., de.

At a quarter to eight o'clock yesterday morning a fire broke out in the dome of Niblo's Garden that in one hour and twenty minutes completely destroyed the theatre and all the property contained in it. When first noticed by officer Cush, of the Metropolitan Hotel, there was but a slight issue of smoke from an opening in the caused by some work in the theatre, gave started loose from their places, began to for some time, and upon this point alone a no alarm for some time. Finding, low-

ever, that the VOLUME OF SYMME continued to increase, he ran into the thealarm was sounded and the

the men on a passing engine where the live was, and the location was no source shouted to him than the jumped of the ear and started in the wake of the flying orgine. 177-deod&w2mch TIe Cause of Temperance finds some of its most insidious and dangerous foes in the many so-called "tonics" and "appetizers," made of cheap whiskey and refuse liquors, finished up to suit depraved appetites, under the name of medicines. Dr. WALKER'S CALIFORNIA VINEGAR BIT TERS are none of these. They are not a beverage, but a genuine medicine, purely vegetable, prepared from California herbs by a regular physician. For all diseases of the stomach, liver, kidneys, bladder, skin | For largest crop of Cotton upon one (1) acre of and blood, they are an infallible and unrivalled remedy.

BRONCHITIS.

This is an irritation or inflammation of the bronchial tubes, which carry the air we breathe into the lungs. It arises from a cold settled in the throat, from Caterrh extending to these parts, frrm scrofulous rifections, and from severe use of the voice. The irritation from this latter cause commences in the larynx and glottis, which are the organs of the voice, and extending downwards produces hourseness, coughing and spitting mucous matter, some-tames mixed with blood. It is chiefly danger-ous from its tendency to spread into the lungs, and terminate in consumption. It is in the cure of severe and obstinate cases of this disery has achieved unparalleled success, and won the loudest praise from all who have used it. It is sold by oll respectable druggists.

The Harvest of the Head .- When the comb acts as a rake bringing away a roll of parted fibers every time it passes through the hair, baldness would soon be inevitable. But even in this case, forlorn as it may seem, the mischiet can be arrested, the loss repaired. Lyon's Kathairon, aided by a brisk application of the brush to promote the absorption of the fluid by the scalp, will stop the thining-out precess in forty-eight hours. The roots from which the dead filaments were shed will soon be re-endowed with vitality, and a new growth will speedlly spring up on the denuded places. This work of reproduction will go on until the damage is completely repaired, and the luxuricross-pole in the chimney, so that in case ant crop of hair thus produced will never wither our energies effected an entrance into our or fall out as long as the vitalizing application
